Few college presidents live as close to the hearts of the students with whom they come in contact as does President W. O. Thompson. For more than 40 years he has been actively identified with education, and for about 35 of those years he has been a college president, 25 of them here at Ohio State.

MIAAMI, FLORIDA, is the fastest growing city in the United States. Tens of thousands of Northern tourists are charmed every season by the spirit of Miami. There you will find the most equable climate in the country, if not in the world.

Young, robust, healthy and aggressive, you will agree with us that it is soon to be the Southern metropolis.

Many Columbus people are anticipating spending the winter months in Miami, some with the intention of buying or building.

Bryan & Co., Columbus realtors, have made arrangements with Mr. A. M. Tornes, of Miami, to be in our offices for the next few weeks to give those interested, first hand information of any kind, pertaining to Miami. We invite you to know more about Miami—

Changes in Football Rules for 1924

Most of the changes in the football rules this year deal with minor details of phrasing. An attempt has been made to explain clearly a number of points upon which coaches and officials have been in dispute. Since the revised wording follows closely the interpretation that has been given by most good officials, it is unnecessary to give space to them here but to confine this article to changes of real importance.

ABOLITION OF ARTIFICIAL TEES AND CHANGE IN KICKOFF

All kickoffs this year will be made from the center of the field instead the kicking team's forty yard line as heretofore. All artificial tees, including scraping up of earth, have been abolished on the kickoff, all place kicks, and free kicks.

SHIFT PLAYS

This year's rule provides that on all shift plays, players must come to an absolute stop and remain stationary in their new positions sufficiently long to prevent any doubt in the minds of the officials regarding the legality of the play. In case of doubt, the play is to be ruled illegal and a five-yard penalty inflicted.

CHANGE IN POSITION OF BALL IN TRY FOR POINT

After a touchdown when a team attempts a try for point, the ball may now be placed on the three-yard line instead of the five-yard line as heretofore.

THE "SCREEN" FORWARD PASS

Under the forward pass rule this year, players on the team making the pass who are ineligible to receive the same must keep out of the way, after crossing the line of scrimmage, of defensive players who have an opportunity to intercept the pass. This is aimed to prevent the "screening" of the man about to receive a pass by guards, tackles, etc., getting in the way of defensive players who are trying to reach the ball.

DECLINING FORWARD PASS PENALTIES

Further additions have been made to the rights of the defensive team in declining forward pass penalties so that it is practically necessary for the ball to touch the ground before a team can not decline the penalty for infraction of the forward passing rule. The committee has also increased the penalty for intentional grounding of forward pass from ten to fifteen yards.

ON-SIDE KICK

On-side kicks have been more definitely legislated again by saying that if a kicked ball crosses the scrimmage line, no one of the kicker's side can touch or recover the ball without penalty until it has touched an opponent, but any man may recover a kicked ball which has not crossed the line of scrimmage.

SUBSTITUTIONS

In order to speed up the game, the referee may now arbitrarily order the watch to be kept running, when in his opinion the number of substitutions, at any given time, is so great as to become a nuisance. Formerly, whenever any substitute went in, time automatically stopped. The captain of a team may now also ask for time out without penalty four times during each half, but each additional request for time out will be penalized by a distance of five yards instead of two yards as heretofore.

WHISTLE AND PISTOL

The rules committee has officially decreed that no one but the referee may use a whistle whereas formerly it was merely recommended. Other officials must use a horn or some other means of signaling so that there is no chance of confusion in the minds of the players. The rules committee has also recommended that the time keeper shall shoot off a pistol to notify the referee of the expiration of time.

UNSPORTSMANLIKE CONDUCT

Officials have been given the added power to penalize a team for the unsportsmanlike conduct of "anyone connected with the team" as well as players to which it has been limited heretofore.

"A-B-C-stuff"

In college a fellow is handed a mass of facts—some of them simple and fundamental, others complex, intricate and hard to remember. *Get your fundamentals fixed.*

For instance, it is easy to grasp once and for all time the fundamental of good paving—*THE "ABC" PAVEMENT*—

ASPHALT for *Filler* because it makes the traffic-bearing surface a water-proof, flexible armor not subject to the cracks which follow rigid slab construction, and because repair costs are insignificant where each brick is an easily removable unit.

BRICK for *Surface* because it furnishes the best surface for for traffic; *hard*, but not brittle—*tough*, but not rough—*dense*, and non-absorbent—*smooth*, but not "slick;" because its fire-hardened toughness resists wear and tear so sturdily that upkeep expense is squeezed to a minimum and because any margin of higher first-cost is speedily offset by low maintenance, long life and uninterrupted service.

CONCRETE, CRUSHED ROCK, CRUSHED SLAG OR GRAVEL for *Base* because some one of these bases meets any conceivable sub-soil condition, and with a bedding course of sand or screenings makes the best sub-structure yet developed for modern street or highway traffic.

CARMEN OHIO

Words and Music by
Fred Cornell, ex-'06

(Hats off, standing)

O, come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will truly show
How firm thy friendship—Ohio.

The e jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho, age may dim our mem'ry's store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren shoal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio.)

THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit

In old Ohio there's a team,
That's known thruout the land;
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio Field will hear again
The Buckeye Battle Cry.

Drive! Drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to victory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For Ohio.

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field,
Show them Ohio's here,
Set the earth reverberating with a
mighty cheer.
Hit them hard and see how they fall;
Never let that team get the ball
Hail! Hail! the gang's all here,
So let's beat that Wesleyan now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!
for Ohio!

THE CHANT

Ohi, Buckeye,
O-HI-O!

O—Ra—Rah Rah,
O—Ra—Rah Rah,
Young!

Tee Young,
Rah Rah Rah!

O—Ohio, Ohio,
The Hills send back the cry,
We're here to do or die
For Ohio Ohio
We'll win the game or know the reason why!
And when we've won the game, ' tell you
what we'll do,
We'll yell for old Ohio
'till we wobble in our shoes.
Repeat first 5 lines.

PURDUE SONGS

OLD GOLD AND BLACK

Here's to Purdue, our Alma Mater,
The finest in the land.
Our love for you will never falter,
For your honor we will stand.
Then fight that team across the field,
Get in and go right through that line.
Just do your best
And we will do the rest,
And back you every time.
Loyal to Purdue,
Colors Gold and Black.
Fight, fight, Old Purdue,
Drive that rush line back.
Onward to vict'ry.
We are all for you.
Love and Glory we will ever honor.
Hail, all Hail, Purdue!
Purdue, sis boom! Purdue, sis boom!
Purdue, sis boom! Yea! rickety, rickety, right!
Old Purdue is out of sight!
Yea, sis boom! Yea, sis boom!
Yea! Yea! Yea!

(Chorus)

HAIL, PURDUE

To your call once more we rally;
Alma Mater, hear our praise!
Where the Wabash spreads its valley
Filled with joy our voices raise;
From the sky in swelling echoes
Come the cheers that tell the tale
Of vict'ries and your heroes,
Hail, Purdue! We sing. All Hail!

Chorus

Hail, Hail to Old Purdue,
All Hail to our Old Gold and Black;
Hail, Hail to Old Purdue,
Our friendship may she never lack;
Ever grateful, ever true,
Thus we raise our song anew
Of the days we've spent with you;
All hail, our own Purdue.
When in after years we're turning,
Alma Mater, back to you,
May our hearts with love be yearning
For the scenes of Old Purdue;
Back among your pathways winding,
Let us seek what lies before,—
Fondest hopes and aims e'er finding,
While we sing of days of yore.

THE FIGHTING VARSITY

Here's to the fighting Varsity
That wears the Black and the Gold,
They feat no foe and they hit'em low,
Let's give them all three mighty cheers,
Rah! Rah! Rah!
Here's to the fighting team, boys,
That fights for Old Purdue,
With loyal hearts let us play our parts
And yell for—
Purdue, Purdue, Rah! Rah!
Purdue, Purdue, Rah! Rah!
Hoo Rah! Hoo Rah!
Bully for Old Purdue.

 ATTORNEY GENERAL
 (Second Term)

Attorney General Crabbe has stood loyally by O. S. U. As a member of the General Assembly he sponsored the one-eighth mill levy to carry out our building program.

When the present Governor vetoed the \$200,000 appropriation to the university, General Crabbe was appealed to and he aided in restoring this appropriation.

When an effort was made to close the Co-op store, again Attorney General Crabbe came to our rescue.

O. S. U. believes in loyalty. May she remember the services of Attorney General Crabbe on November 4.

College Football as an Industry

College Football is correctly classified as the purest of sports. Yet so enormous is the interest it creates, that one has only to regard some of the incidental effects produced by it, to realize that it constitutes a true industry as well.

Take the program in which this is printed:—

Not every spectator at a football game desires a program; yet to satisfy the crowds at Ohio State's six home games this year, 100,000 programs will be required.

Into the making of those programs will go 113,400 sheets of paper, each 32" x 44" in size. The weight of this paper will total 18,000 lbs. or nine tons.

The total area of the paper involved is 1,108,800 sq. ft., or a little less than 26 acres. This would be sufficient to roof over from wall to wall, two structures the size of the Stadium and leave a generous excess to carpet the infields with.

Laid end to end, the paper sheets would extend nearly 79 miles. Or, laid in a double row, they would pave an automobile track 39-1/2 miles long.

To print these sheets and place three colors on the covers, will require 455,000 press impressions. The press cylinders will have an approximate travel of over 1000 miles in producing these impressions.

Over 3-1/2 miles of wire will be consumed in the seemingly insignificant bindery stitches.

Here is indeed a romance of industry—the labor of many men, loggers, paper makers, process engravers, compositors, printers and binders—called into activity by but a single phase of the interest in college football.

And because of the news nature of these programs, an average of only five days is allowed for the printing and binding of each one.

For printing and binding the Ohio State football programs this year, those in charge have turned to

The Big Six DUPLEX-PHAETON

—there is no other seven-passenger car like this!

THE NEW DUPLEX-PHAETON, was first introduced by Studebaker, September fourteenth. It is the sensation of the industry.

It has solved the closed-open car problem.

With the over-lapping side enclosures in place it has the comfort and protection of the closed car. The cushions are deep, wide and soft; the interior finish and fittings suggest the closed car in richness and elegance. It has the riding comfort of the sedan.

With a touch of the hand you roll the side enclosures into the steel-framed roof—and you have the vision and freedom

of the open car—yet it gives you comfort, elegance and easy-riding luxury that no open car can ever give you!

The price is the same as the open car.

The seven-passenger DUPLEX-PHAETON mounted on the new Big Six chassis is the car unique—there is no other like it.

Always famous among seven-passenger cars, the NEW BIG SIX with its improvements and betterments, takes its place definitely among the finest six-cylinder cars made in this country.

In beautiful lines, high-grade appointments, impressive appearance there are few cars that can equal it at any price.

It is one of the very few cars specially designed and powered for seven-passenger service—the engine develops over 75 horsepower.

In operation and maintenance it is notably economical.

In material, workmanship and limits of precision it is unsurpassed. In essential fineness and quality no car can give you more real value—it is a masterpiece of one of the most modern and complete factories in the entire automobile industry.

As such, it is a leader in every sense of the word. See it with this thought in mind—and see the new DUPLEX BODY!

Studebaker Hydraulic 4 Wheel Brakes, optional equipment
On all Standard Six models, with 4 disc wheels and spare rims, \$60.00 extra.
On all Special Six and Big Six models with 5 disc wheels, \$75.00 extra.
